

## Part 2: Controlled Flight Test

---

**Due** Jul 19 by 11:59pm      **Points** 25

---

Your grade on this part of the project is all-or-nothing. Either your airplane consistently glides towards the GPS waypoint or it does not. You glider should not dive, roll, or do other unexpected maneuvers as it navigates towards the GPS waypoint. Demonstrate your working autonomous glider to your instructor to get credit for this assignment.
